

BUGSY MALONE MUSICAL

For those in the community who saw Buggy Malone, they witnessed an outstanding musical production. Over two matinees and four packed evening performances the audience laughed and thrilled at the adventures of Buggy, Fat Sam, Blousey, Tallulah and cast and clapped along and tapped their feet to the wonderful songs and music.

Buggy Malone highlighted the talents of our students and staff and showcased the high standards evident in our Centre for Creative Industries. Congratulations to directors Amanda Johnson and Kath Walgers, the many staff involved in four months of planning, preparation, rehearsals and performances and of course, our wonderful students who made up the cast and crew.
